Diagonal Step Down

Use this curse to move one traveller of another player diagonally inward (from one ring to next).

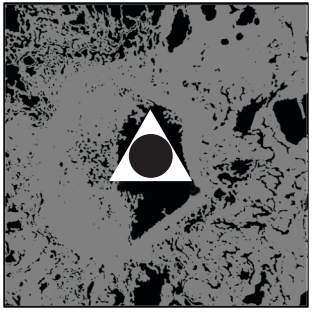

Piggyback Inverse

Use this curse to change places with travellers of other player(s) who are piggy backing on your traveller(s). Now you piggy back on them.

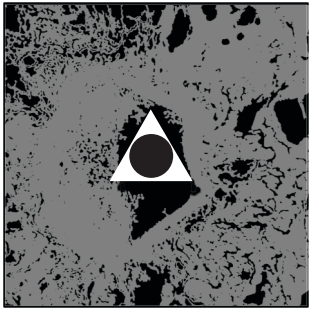

Reset

Use this curse to move all travellers of any one player to their respective start points.

Fix to Centre

Use this curse to drop any one traveller of another player into the centre of the Blackpool. Till the player gets a 6 or 12 Steps charm, that traveller stays at the centre.

Freeze

Put any one traveller of another player to sleep, using this curse. Till the curse is lifted, that traveller cannot move from its place. Place this card under the traveller you choose to curse.
